

# CHINESE/ENGLISH - JOHN and ROMANS PRINT PROJECT

There are over 6 million Chinese currently living in the United States. The two largest communities are in San Francisco and New York City. They each have over a half million Chinese residents.

We have started our Chinese restaurant ministry, already reaching nearly 5,000 restaurants in the Southeastern US. We desperately need a new printing of Chinese John/Romans. Since this printing is for Chinese living in America, we will include the English KJV.

The first printing will be for **500,000 copies**. These will cost us 25 (cents) each. The total cost will be **\$125,000.00**. The Bible Team will assemble distribution teams to work directly with local Chinese Churches in highly populated areas. We will also continue our Chinese Restaurant Ministry with Gospel Packets.

**PLEASE PRAY AND GIVE. GO TO [www.BibleTeam.org](http://www.BibleTeam.org) for Distribution Team Information. YOU CAN ALSO CONTRIBUTE ON OUR WEBSITE!**
